Messages from the SSCE Cymru team...

Regional School Liaison Officer for West Wales

"Croeso nol/ Welcome back! I hope you all had a lovely break over the half term. As you may be aware, Remembrance Day falls in the month of November and it would be great to see schools getting involved to mark this event. There are lots of fantastic resources available on the Royal British Legion website that can be used to support the teaching of Remembrance along with activities for children and young people to complete. Some schools across West Wales are holding their own assemblies and remembrance services. If you are thinking of doing any events or have an idea as to how you as a school will be marking Remembrance, then please let me know or share any photos of activities, we always love to see what's going on in schools!

I would like to congratulate Haverfordwest High VC School on achieving their Gold Armed Forces Friendly Schools Cymru status. The hard work that you have put in has been a great success. It was lovely to celebrate this achievement at the school, with other schools from Pembrokeshire, at the West Wales Armed Forces Festival in October. See the [SSCE Cymru journal](#) for details and photos from the event."

Emma, Emma.Reeves@pembrokeshire.gov.uk

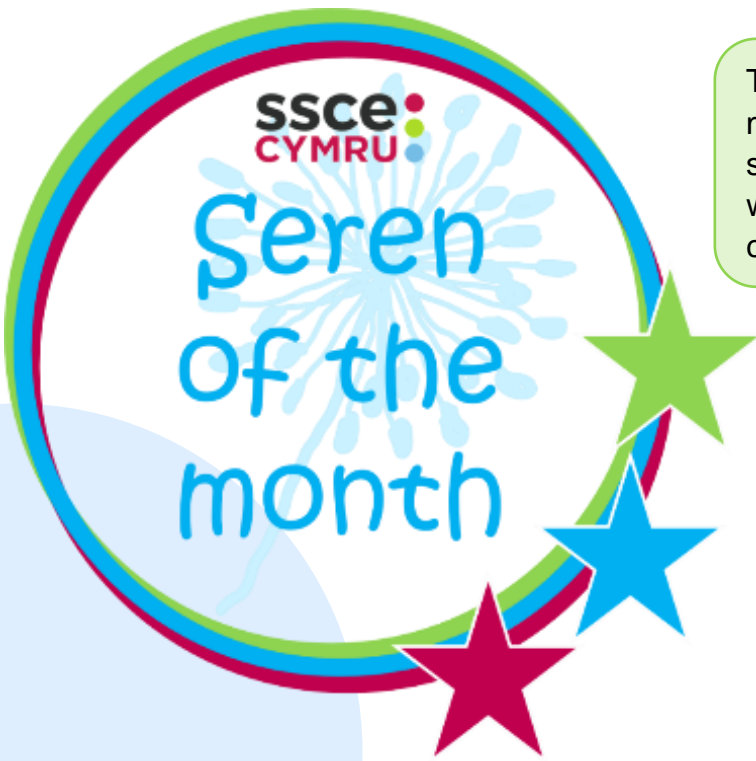

Participation Lead Officer

"The SSCE Cymru team were proud to support the very first Service Children's Awards Cymru event at the end of October. At the event we heard some truly inspiring stories and had so much fun celebrating with all the guests. Congratulations to all the finalists. Service children are extremely inspirational! See the [SSCE Cymru journal](#) for details of all the fantastic finalists and photos from the event. November offers us the opportunity to take some time to reflect upon the act of Remembrance and what it means to us.

Remembrance does not glorify war but respectfully acknowledges the sacrifices made for a peaceful future. The Royal British Legion (RBL) poppies are worn to show support for our Armed Forces community, but it is still a very personal choice to wear one and by no means is it compulsory. I choose to wear mine to show my support to those currently serving, ex-serving personnel and their families; and as a symbol of Remembrance for all those who have fallen in conflict. I would love to hear from any of our schools with Little Troopers or Forces Life Clubs that are going to take time to Remember in November."

Jo, Joanna.wolfe@wlga.gov.uk

This is an opportunity for our team to publicly recognise an SSCE Cymru STAR, and say thank you to a Service child, member of school staff, work colleague, network member or organisation that have positively collaborated with us or shown exceptional support to Service children in education and their local Armed Forces community. We are grateful to work with some truly inspiring individuals and groups who ensure that Service children continue to feel valued and celebrated here in Wales.

Seren of the month – November 2023

The SSCE Cymru team have had the pleasure of working with Rhia, Sean and the teams from Forces Fitness and the Veterans awards over the past few years and we value all the enthusiasm and dedication that you have demonstrated towards supporting SSCE Cymru and the Service children in Wales. All the Forces Fitness team are fantastic, and we love how the programmes they offer link so well to encouraging schools across Wales to deliver the SSCE Cymru mission. We are particularly grateful for all their hard work in the setting up and running the Service children's awards 2023. We are super excited and proud to be the first nation in the UK run this event.

Thank you very much for all your efforts, we truly appreciate it.

SUPPORTING SERVICE CHILDREN
IN EDUCATION IN WALES

SSCE Cymru's Armed Forces Friendly Schools (AFFS) Cymru initiative was launched in 2022. Schools in Wales complete a series of activities and actions that are linked to the SSCE Cymru School Checklist, including some compulsory elements, in order to achieve their Bronze, then Silver, then Gold status. The objectives are to embed good practice for supporting Service children, create a positive environment for Service children to share their experiences and encourage schools to become more engaged with their Armed Forces community.

This month, we are pleased to congratulate the following schools for achieving their Bronze status:

- Llanfair Primary School (Vale of Glamorgan)
- Baglan Primary School (Neath Port Talbot)
- Golden Grove Primary School (Pembrokeshire)

Congratulations to all schools who have achieved their Armed Forces Friendly Schools Cymru status. So far, 17 schools have achieved their Bronze status, 4 schools have achieved Silver and 3 schools have reached Gold!!!
