Messages from the SSCE Cymru team...

Regional School Liaison Officer for North Wales

"I hope your return to school has been enjoyable and everyone is settled in! You may have already seen but schools are able to apply for funding this academic year to go towards interventions, projects etc that will support their Service children. Information and access to the application form can be found on our website but please get in touch if you have any questions or want assistance with filling in an application, I'll be happy to help.

Additionally, it would be great to see some more schools in the North achieving their Armed Forces Friendly Schools (AFFS) Cymru Bronze status. This is a great way for schools to further enhance the support they offer to their Service children but to also become more involved within the Armed Forces community, please reach out if you want to find out more information about how you can achieve this.

Finally, Remembrance is approaching in November, so please keep an eye out for information sent out by us as to how schools can get involved and show their support."

Participation Lead Officer

"The SSCE Cymru team have been busy sorting out a few exciting new projects, such as launching our Seren of the month award last month. It occurred to us that we work with so many unsung heroes, Service children ambassadors and colleagues, who help us achieve our mission that they deserve a 'shout out' for their efforts and continued support. We look forward to shining a spotlight on a few of these stars over the course of this year. Could you be one? Also at the end of this month, we are due to join our colleagues from the Veterans Team to celebrate the first Service Children Awards Cymru. This will be a fantastic opportunity to hear from you, our Service children/young people. I was pleased to see that there were so many nominations from across Wales. Good luck to all the shortlisted finalists!"

Jo, Joanna.wolfe@wlga.gov.uk

Senior Regional School Liaison Officer

"I am so excited to be back with the team after nine months off! It's been great to hear about all the hard work the schools and local authorities have been doing to continue their support for Service children, I am looking forward to working alongside the RSLOs to develop support and provisions and see more schools achieve their Armed Forces Friendly Schools Cymru status."

This is an opportunity for our team to publicly recognise an SSCE Cymru STAR, and say thank you to a Service child, member of school staff, work colleague, network member or organisation that have positively collaborated with us or shown exceptional support to Service children in education and their local Armed Forces community. We are grateful to work with some truly inspiring individuals and groups who ensure that Service children continue to feel valued and celebrated here in Wales.

Seren of the month – October 2023

It has been a pleasure working with Sarah at Ysgol Pen y Bryn. As a mother of three and a spouse to a serving member of the Armed Forces, Sarah has firsthand experience of this lifestyle and as a result, understood the importance of setting up a Little Troopers Club at the school. This has given the Service children at the school an opportunity to come together regularly, share their individual experiences and have fun. Diolch Sarah and the Ysgol Pen y Bryn Team! Please do keep up the good work.

SUPPORTING SERVICE CHILDREN
IN EDUCATION IN WALES

SSCE Cymru's Armed Forces Friendly Schools (AFFS) Cymru initiative was launched in 2022. Schools in Wales complete a series of activities and actions that are linked to the SSCE Cymru School Checklist, including some compulsory elements, in order to achieve their Bronze, then Silver, then Gold status. The objectives are to embed good practice for supporting Service children, create a positive environment for Service children to share their experiences and encourage schools to become more engaged with their Armed Forces community.

This month, we are pleased to congratulate the following schools:

- Cwmclydach Primary School (Rhondda Cynon Taf) for achieving their Silver status.
- Haverfordwest High VC School (Pembrokeshire) for being the first secondary school in Wales to achieve Gold status.

Congratulations to all schools who have achieved their Armed Forces Friendly Schools Cymru status. So far, 14 schools have achieved their Bronze status, 4 schools have achieved Silver and 3 schools have reached Gold!!!
