Messages from the SSCE Cymru team...

Regional School Liaison Officer for North Wales

*"Croeso nôl/ Welcome back! I hope you've had a lovely break over the summer holidays and are well rested ready for this next academic year. I am very much looking forward to continuing work with my schools who have begun their journey towards becoming Armed Forces Friendly Schools, it will be great to see you being awarded your status' this term and recognised for your commitment in supporting your Service children.
I also look forward to working with many new schools throughout North Wales this year so please do get in touch if you have Service children enrolled at your school. I am available for general support/ advice, training, to explore funding opportunities, to discuss joining other schools throughout Wales in becoming Armed Forces Friendly and answer any questions you may have around supporting Service children in education. I look forward to hearing from you over the coming months!"*

Participation Lead Officer

"Welcome back! I hope you enjoyed a much-needed break and are ready for the new academic year ahead. I would like to take this opportunity to say Croeso/welcome to any new Service children/young people who have moved to Wales over the Summer holidays. We understand how daunting it can be starting a new school and meeting new teachers, but we hope the excitement of making new friends will ease your nerves. Please check out the [SSCE Cymru Service children's experiences film](#) to know that you are not alone in how you feel. Good luck and once you're settled, if you would like to share your experiences with us, then please consider joining our [SSCE Cymru Service children ambassadors](#) while you're here in Wales. We would love to hear from you!"

Introducing our new SSCE Cymru 'Seren of the month' award. This is an opportunity for our team to publicly recognise an SSCE Cymru STAR, and say thank you to a Service child, member of school staff, work colleague, network member or organisation that have positively collaborated with us or shown exceptional support to Service children in education and their local Armed Forces community. We are grateful to work with some truly inspiring individuals and groups who ensure that Service children continue to feel valued and celebrated here in Wales.

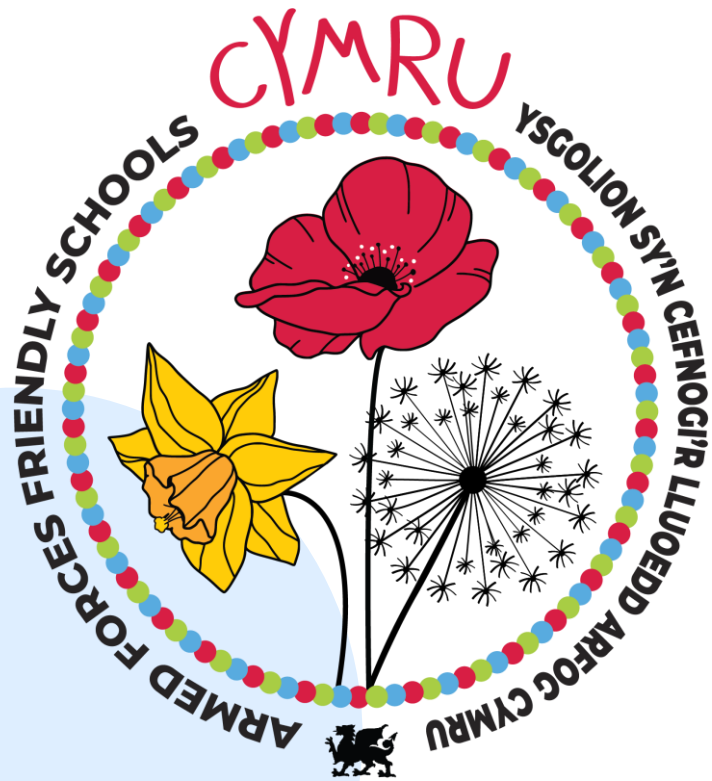

Seren of the month – September 2023

It has been a pleasure to work alongside Deputy Headteacher Kayley Phillips in supporting Cwmclydach Primary Schools' Service children. Kayley has been so proactive for her Service children in the school, and even though there is only a small number of Service children, Kayley ensures that they receive the best education possible and that their voices are heard. An amazing example of this is Cwmclydach Primary holding a day to celebrate Armed Forces Day in June this year, where the whole school were involved in fun activities and recognising the experiences of their Service children. Thank you so much for everything you do to support your Service children Kayley, we hope you enjoy your maternity leave!

"You have absolutely made my day! Thank you so much for this! I love working with you and the service children, it is an absolute honour to be part of SSCE work and I'm excited to continue supporting our Service children in whatever way we can." Kayley Phillips

SSCE Cymru's Armed Forces Friendly Schools (AFFS) Cymru initiative was launched in 2022. Schools in Wales complete a series of activities and actions that are linked to the SSCE Cymru School Checklist, including some compulsory elements, in order to achieve their Bronze, then Silver, then Gold status. The objectives are to embed good practice for supporting Service children, create a positive environment for Service children to share their experiences and encourage schools to become more engaged with their Armed Forces community.

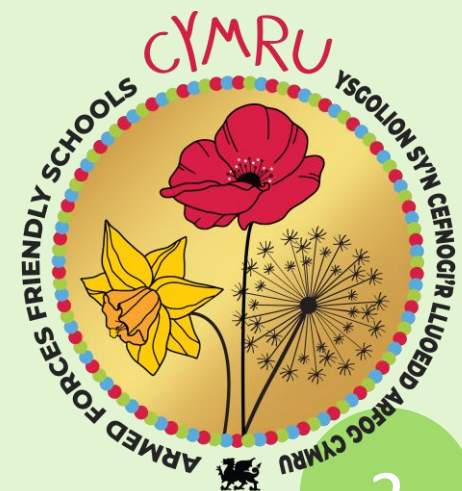

Congratulations to all schools who have achieved their Armed Forces Friendly Schools Cymru status. So far, 14 schools have achieved their Bronze status, 3 have achieved Silver and 2 have achieved Gold!!!
